Patient Instructions***

Neuralgia Medications

Continue with all your neuralgia medications for 3 weeks. If your pain is improving or gone begin tapering the medications one at a time with the guidance of your Family Physician.

Infection

If you notice any fever, chills or neck stiffness seek immediate medical attention and contact Dr. Sun's office.

Activity

Resume regular activities as tolerated.

Follow-up

Dr. Sun's office will make arrangements to see you in 2 to 3 months following the operation. His office will contact you with the appointment time within 2 weeks of discharge.
